

Courage

**I show that I'm courageous
In everything I do
I don't give up
I never quit
I want to see it through**

**I show that I'm courageous
In everything I do
I
Want
To see it through**

**I show that I'm courageous
In choosing what I say
Words are sometimes hard to find
But kind words find a way**

**I show that I'm courageous
In choosing what I say
Kind
Words
Will find a way!**

**I show that I'm courageous
That I am brave
I'm fighting fear
And speaking truth
Cause courage is in here (*point to heart*)**

**I show that I'm courageous
That I am brave
My
Courage
Is right in here! (*point to heart*)**
