

Mutchmor Public School WITS Song

If you want to make a problem better
Wally says to use your WITS
When we show kindness to each other
We make stronger friendships

You gotta walk away and ignore!
Talk it out and seek help!
Oh yeah!
Oh!

Now we know how to use our WITS
In any situation
Big or small, we solve them all
So it's fun for everyone

You gotta walk away and ignore
Talk it out and seek help!
Oh yeah!
Oh!

Use your WITS!
WITSup!

Use your WITS!
WITSup!

Use your WITS!
WITSup!

Use your WITS!
