

WITS Song

V1: When I walk by a fight,
I'm not a by-stander cuz,
That's not right,
I get involved,
Usin' my wits to problem solve. {Yeah}
This is how I roll,
Usin' my WITS wherever I go.
It's Witsup the walrus yo;
Taught us the WITS that we know! {YEA!}

R1: {AHH} you better not bully...
{AHH} you better not bully...
{AHH} you better not bully...
{CUZ IT'S WRONG!}
{AHH} you better not bully...
{AHH} you better not bully...
{AHH} you better not bully...
{SEEK HELP}

Chorus: When I walk in the `yard,
This is what I see,
Everyone's friends,
And there's no bullies.
We got WITS in our heads and we ain't afraid to use
them {use them, use them, use them}
{WE GOT WITS AND WE KNOW IT}

V2: {YEAH} When I'm in the hall,
There's no rumors at all.
When I'm in the class
Everyone knows not to harass. {WHAAT?}
This is how I roll, usin' my WITS wherever I go. We are
just that cool, you know, with OUR awesome WITS
mojo!

R2: {AHH} Walk Away now!
{AHH} Just ignore it!
{AHH} Talk it out!

{SEEK HELP}
