

Subscription Info-sheet

As of the 2021-2022 school year, all WITS Programs (WITS, DIRE, LEADers, MENTOR) will be accessed through an online subscription for both schools/educators and community leaders.

This change will help us achieve several goals:

- Increasing program integrity
- Providing improved support to WITS Schools
- Enhancing training for educators and community leaders
- Creating connection between WITS Schools across Canada
- Ensuring WITS Schools have quick notice of new or updated materials
- Supporting regular program assessment and evaluation

The two **REQUIRED COMPONENTS** of this model work together:
